## Help WRI Solve the World's Most Urgent Environmental Problems with a Gift Today

Today's environmental challenges are complex and global in nature. They call for visionary, ambitious action grounded in sound science and objective analysis - the kind of action that distinguished WRI's record of effectiveness for over 30 years. **Your gift to WRI will support this work.**

WRI is unique in its ability to create solutions that protect the Earth, and in doing so, improve people's lives. Thank you for supporting this critical work.

*\* To ensure accurate credit for your contribution, please fill out the form below as completely as possible. You can also [click here](#) to pre-populate this form. You will receive an email confirmation of your gift.*
